

## DHL PARCEL UK LIVE SERVICE UPDATES

# SERVICE UPDATES FROM DHL PARCEL UK

We strive to deliver every parcel safely and on time - however occasionally road closures due to planned events or unexpected incidents, weather conditions or system outages may affect or otherwise disrupt delivery services.

Whenever we're aware of a potential interruption to our deliveries, we'll post an update here with as much detail as possible, so you can be well-informed on the arrival of your parcel.

## April 2021

**Monday 26 April | 11:55**

### Scam text

We have been made aware that there is a scam text message currently being sent which pretends to be from DHL.

An example of the scam message is show below:

DHL: Your parcel is arriving, track here: <http://demo.mipunet.cn/a/?lrwlaoj8eo66>

If you do receive a scam message **do not** click on any links contained within the message and **delete** the message immediately.
